# THE HISTORY

---

The wine-growing history of **Château La Vue** began in the 16th century, during the reign of King François 1st.

In the 19th century, the lands of Château La Vue belonged to the owner of the Monolithic church of **Saint-Émilion**. It should be noted that this owner was making efforts to develop the vineyard.

1920-1957, the vineyard became the property of the Gombeau family. The house was then passed on to their daughter and her husband Eric Bordas. The couple devoted their time to improving the quality of the wine.

In 2013, seduced by the wine, the actress ZHAO Wei became the new owner. In order to produce a great wine, she appointed Mr. Hubert de Boüard as Consultant, to obtain the best expression of the terroir in the wine.

In 2020, the **MRS.V group** was founded to create an alliance and unity between ZHAO Wei's various **Bordeaux properties**. The four letters of the group echo the four properties of the group: M for Château Monlot, R for Château La Croix de Roche, S for Château Sénailhac and V for **Château La Vue**. The MRS.V group also symbolizes the **passion** of a team with varied **international** experience that unites around a single ambition.

# THE CHATEAU

---

Château La Vue owes its name to its location, below the hills of **Saint-Émilion**, with a view to the village.

The property, close to the most famous wine estates of the appellation, welcomes tourists in its shop, and offers for **tasting** and for **sale** the wines produced on its terroir as well as those from its different vineyards.

It also has an underground cellar. The head office of the wine trade company SAS Cellar Privilège is also located on the Château La Vue site. Among the wine offer, there is a **selection of Bordeaux Grands Crus**.

# THE VINEYARD

---

Located at the foot of Saint-Émilion,  
this 15-hectare property faces the village.

Two grape varieties make up the vineyard of Château La Vue: 80% Merlot and 20% Cabernet Franc. On gravelly and loamy soils, this property produces two wines in the **Saint-Émilion** and **Bordeaux Supérieur** appellations.

This property with a typical terroir of Saint-Émilion is constantly looking for **self-renewal**. Starting with the 2021 vintage, Château La Vue has invested some **500-liter barrels**. An approach between **tradition** and **modernity**.

An innovative "**savoir faire**", expressing the **DNA** of this **terroir**, giving the wine a balance between fruitiness and woodiness.

**JAMESSUCKLING.COM** 

Château La Vue 2015, Saint-Emilion

*« A soft and silky red with a character of blackberry, chocolate and tea. Medium to full body, integrated tannins and a long, savoury finish. Structured and balanced. Drink it in 2020. »*

**matthewjukes**

Château La Vue 2016, Saint-Emilion

*« The perfume of this wine is very seductive with notes of ripe plum and also well-seasoned oak. The mid-palate is soft and round, but the tannins seep into the finish and remind you that this is a young wine. Well-balanced, but also beautifully long and tasty, it is a success, but it will take 2 to 3 years for it to relax. »*
